GREETINGS

to you all in the name of our Lord and Savior Jesus Christ. It is my great honor and privilege to welcome you all to the 15th annual National Conference of Sharon Fellowship Churches of North America that will be held this year in Houston, Texas from July 27-30, 2017.

I pray that this conference will be a memorable one for all of us. It is a wonderful time for us all to come together as one, to learn and grow deeper in the Lord's word. Our theme for this conference is from Jude 1:23 to "Save with fear, pulling them out of fire." This year, our primary goal is to put faith into practice through evangelism; it is our duty as believers to preach His gospel to the unreached souls in our communities and guide them to the Lord.

Sharon Fellowship Church of Houston is working hard and doing all the needed preparations to bring together a blessed conference. We ask for your prayers and support during this time of preparation. Once again, I welcome you all to this great time of spiritual fellowship and celebration this summer.

"Remember this: Whoever sows sparingly will also reap sparingly, and whoever sows generously will also reap generously. Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver."

Intellectual Approach

(EVANGELISM)

The intellectual approach to evangelism is what **Paul modeled in Acts 17** when he reasoned with philosophers and the deep thinkers of Athens and is today practiced by apologists and other logical thinkers.

"So let's not allow ourselves to get fatigued doing good. At the right time we will harvest a good crop if we don't give up, or quit. Right now, therefore, every time we get the chance, let us work for the benefit of all, starting with the people closest to us in the community of faith."

Galatians 6:9-10 (Message)
